

Donor Recognition Program

Thank You To All Of Our Donors!

Our Mission: Wild At Heart is a rescue, rehabilitation and release center for birds of prey. Its primary purpose is to rescue injured owls, hawks, falcons and eagles; rehabilitate them; and, ultimately, release them back into the wild. Its guiding mission is to do what is in the best interest of these magnificent birds.

Wild At Heart is a non-profit 501(c)3 organization. We, and our birds, are volunteer and donation supported.
